BRYANT Update

The Bryant residential community will be increased by 200 this spring with the completion of a new townhouse dormitory complex.

The new complex, scheduled for completion in late April, will contain 50 townhouse-type units with each unit accommodating four students.

Each unit will contain five rooms with one and a half baths. On the first floor of each unit will be one bedroom, a lavette with shower, a living-dining area, and a kitchenette with cooking facilities.

On the second floor, there will be three bedrooms and a full bath.

The units will offer the ultimate in collegiate dorm facilities. The townhouse is completely electric with all units fully air conditioned, fully carpetted and fully furnished. There will be 120 new parking spaces available for the residents of the new complex.

The general contractor for the project is J.L. Marshall & Son of Pawtucket. Architect is Robert Hillier of New Jersey, designer of the entire Smithfield campus.

NEW V. P.

The Athletic Department is pleased to welcome Thomas Scott to the Bryant campus.

Mr. Scott is the new vice-president of financial affairs. He comes to Bryant from Purdue University.

ALUMNI AID HOCKEY

A large portion of the monies used in the formation of Bryant's first varsity hockey team was contributed by the College's Alumni Annual Fund.

BUILDING CONTRACTOR

Captain PHIL CERRONE

Phil is a dedicated student of the game of hockey. His hard work and dedication to practice has made him a top collegiate netminder despite the fact that he never played high school hockey. But, of course, that isn't surprising to anyone who knows him, because hard work and dedication to a cause have been a way of life for Phil Cerrone.

Phil always had a keen interest in hockey; but during his high school days at Mt. St. Charles Academy, he channeled his efforts towards another sport—race car driving. At the age of 17, Phil was the designer, builder, and chief driver of the well-known Harris Auto Super Stock Eliminator. From 1967 to 1971, Phil raced the big Plymouth throughout North America with outstanding success.

After he entered Bryant in 1971, Phil began directing all his efforts towards hockey. He would spend between 10 to 15 hours a week perfecting his goaltending while playing for various

amateur teams around Rhode Island. And if he wasn't playing, he could be found coaching younger players in the Johnston Amateur Hockey Association of which he is both a coach and a league official.

He was one of the motivating forces behind the formation of the Bryant hockey club, the forerunner of the first varsity squad. Of course, despite his love for hockey, it still is only one of his many interests. An excellent student, he has been a member of the Dean's List for the past two years. Although he doesn't race cars competitively any more, he still competes in some motorcycle racing events during the summer months. Of course, if he gets tired of doing things here on the ground, as a fully licensed private pilot, he can head into the friendly skies.

But for the next three months, Phil's interests are going to be concentrated on a very limited area—that 3-6 foot section in front of the Bryant cage. No doubt it will be well covered.

INDIANS TAKE TO A NEW WARPATH

Hockey Becomes The 10th Varsity Sport For The Bryant Indians

It only seemed logical that two years ago when Bryant College moved to its new campus in Smithfield one of the first things to be considered would be the addition of hockey to the Indians' varsity sports program. Smithfield and the surrounding northern Rhode Island communities had long been a hot-bed of hockey in Rhode Island. Neighboring Burrillville, (home of two members of this year's Bryant squad, Mark Jolly and Dave Sutherland) has produced more state schoolboy championship teams than any other city or town in Rhode Island. (Last year the Burrillville team was both the State and New England schoolboy champions.)

With several rinks just a short distance away, it didn't take long for hockey fever to spread around the Bryant campus. In 1971-72 over 50 players banded together and formed an informal intramural league. This league soon became part of the College's intramural program and hockey was on its way at Bryant.

Last season the top players in the intramural league were chosen as members of the college's first hockey club. The club team played informal games with other collegiate varsity and sub-varsity squads. The team did surprisingly well, recording a 4-2 record in six contests.

One of the most important factors in the successful development of any collegiate hockey is the coaching staff and in that respect the Indians' fortunately were in the right place at the right time.

Bob Reall, a former Rhode Island schoolboy star and collegiate standout at Providence College, had just resigned after four extremely successful years as hockey coach at Roger Williams College. Reall a native of Smithfield volunteered his services as coach

Coach Bob Reall

for the club team last season. When it was finally certain hockey would be added to the varsity program this season, Athletic Director, Tom Folliard, didn't waste any time securing Bob as the Indians first hockey coach.

Bob comes to Bryant with impressive credentials. In his four years at Roger Williams his teams never suffered a losing season. His top season came in 1970-71 when the Hawks posted a 15-4 record.

Bob believes the Bryant program will be a welcome addition to the Rhode Island hockey scene. It will be the first time Rhode Islanders will have an opportunity to see ECAC Division II hockey in the state.

In fact Bob is starting his first season with several former Rhode Island schoolboy stars in the lineup. Included in that list are Jolly and Sutherland from Burrillville, Bill Bush from Pilgrim, Rick Monz from East Providence, Dan Webster from Cumberland, and Bill Gurka from North Smithfield.

As Bob recently put it "We may not get all the hockey talent in Rhode Island, but you can be sure there won't be any players in the state who haven't heard about Bryant."

CHRONICLE OF SUCCESS

REVIEW OF 1972-73

The 1972-73 basketball season was one of the most successful in Bryant College history. The Indians' 20-6 record was the best effort by a Bryant team in five years. Here then is a review of the high (and some of the low) points of that season.

1972

OCT. 15... Practice opens with 35 candidates, including 10 returning lettermen reporting to head coach Tom Folliard.

NOV. 1... Seniors Ray Depelteau and Bruce Stewart are elected co-captains for the 72-73 season.

DEC. 1... The Indians travel to Hamden, Conn. for the start of what is being forecasted as one of the best seasons in Bryant history... But three turnovers in the final two minutes of play leads to a 69-67 setback at the hands of an old nemesis Quinnipiac.

DEC. 4... The Indians open their home season and their Naismith Conference schedule against intra-state rival Barrington... Freshman center Dave Sorafine hits 9 of 13 from the floor and 2 of 2 from the line for 20 points as the Indians roll to an easy 100-71 triumph.

DEC. 9... Bruce Stewart's 21-point performance sparks the Indians to a 77-73 triumph over a determined Southeastern Mass. quintet.

DEC. 11... Four players, Stewart, Sorafine, Depelteau and Frank McCormack hit in double figures as the Indians roll to a 97-53 decision over Nichols.

DEC. 15... The Indians leave for two important Naismith Conference games in Maine... Ray Depelteau and Bruce Stewart combine for 44 points as the Indians edge out a 66-65 decision over Nasson in the first game on the northern swing.

DEC. 16... With Depelteau and Stewart leading the way once again, Depelteau 26, Stewart 22, the Indians up their Naismith record to 3-0 with their fifth straight win, a 83-64 triumph over St. Francis in Biddeford.

DEC. 29... The Indians open defense of their Holiday Tournament title against St. Michael's of Vermont... An incredible poor 36% shooting performance from the floor paves the way for the Indians' second loss of the season, a 99-82 setback.

DEC. 30... Sorafine, Depelteau and Stewart collect 26, 24 and 22 points respectively as the Indians take an 87-76 decision from Clark in the Holiday Tournament consolation game... Ray Depelteau is named to the All-Tourney team for the second straight year.

1973

JAN. 4... Indians drop an 83-73 decision to Armstrong State in first game of a seven-day southern tour.

JAN. 26...Ray Depelteau's 28 points sparks the Indians to their first victory in seven years over Suffolk University. The victory is the Indians' third straight since their return from the southern tour.

FEB. 3...The Indians take a commanding three-game lead in the battle for the Naismith Conference title with an 81-41 victory over Nasson.

FEB. 15...Ray Depelteau becomes the fifth member of the Bryant "1000 Point" Club with 16 points in a 73-61 triumph over New Haven. The victory is the Indians' first in six years over a New Haven team.

FEB. 10...Ray Depelteau delivers top performance of his collegiate career with 36 points in 83-86 decision over Babson.

FEB. 12...Ray Depelteau and Bruce Stewart combine for 46 points as Indians register their first victory in history over intra-state rival, Rhode Island College, 84-69.

FEB. 15...Indians clinch at least a tie for Naismith Conference title with 75-63 win over Gordon.

FEB. 17...Bruce Stewart joins select "1,000 Point" Club and Bryant clinches Naismith title with an 87-61 triumph over St. Francis.

FEB. 27...Indians complete perfect 10-0 Naismith Conference slate with a 107-84 triumph over Babson in regular season finale.

MARCH 3...Dave Sorafine's sensational shooting performance, 14 of 17 from the floor, sparks the Indians to a 74-71 victory over Boston State in opening round of NAIA Regional Tournament.

MARCH 6...Quinnipiac continues to be a Bryant nemesis handing the Indians a 69-57 setback in Regional Championship game.

MARCH 14...Ray Depelteau and Bruce Stewart are named to the Naismith Conference All-Star team. Depelteau also selected Conference MVP and coach Tom Folliard named Conference "Coach of the Year."

MARCH 17...Depelteau is named to the ECAC Division III All-East team. First Bryant player to ever be selected.

MARCH 21...Depelteau and Stewart are named to the NAIA District 32 South All-Star team. Coach Tom Folliard is named District 32 "Coach of the Year."

MARCH 26...Folliard selected United Press International's New England Division III "Coach of the Year."

APRIL 3...Depelteau receives NAIA Honorable Mentioned All-American honors.

APRIL 10...Tom Folliard named NAIA Region 8 (East) "Coach of the Year."

TUPPERWARE COMPANY

TOM FOLLIARD

Head Basketball Coach

In five years Tom Folliard has become one of New England's most successful college-division coaches. During his tenure as the Indians' head mentor the former Providence College ace has recorded an impressive 84-42 win-loss mark. Although he has registered winning marks in four of those five seasons, last year's accomplishments head the list. For his efforts in directing the Indians to one of their best seasons in history, Tom was voted Naismith Conference "Coach of the Year" (for the second straight time), NAIA District 32 South "Coach of the Year," New England U.P.I. Division III "Coach of the Year" and finally, NAIA Regions VIII (East) "Coach of the Year."

The Indians berth in last year's NAIA regional playoffs marked the fourth time Tom's team has earned a spot in the post-season tourney. Their Naismith Conference title was Tom's third in the past four years.

A 1962 graduate of P.C., he played three years under former P.C. coach, Joe Mullaney. He was a member of the Friars' 1962 N.I.T. Championship team.

**LEE
DRURY**
Assistant
Coach

This is Lee's second season with the Indians. He joined the Bryant staff last year after serving three years as Brown University's freshman basketball coach.

A graduate of Springfield College, he was co-captain of the 65-66 Springfield basketball squad. In addition to his three years at Brown, Lee also served as the assistant basketball coach at Springfield in 1967 and as athletic director and head basketball coach at Litchfield, Conn. High from 1967 to 1969.

In addition to his duties as assistant basketball coach Lee also serves as Bryant's assistant athletic director. In that role Lee directs the college's extensive intramural program that involves almost 2,000 of Bryant's 2,500 full-time students.

**JOE
FOWLKES**
Sub-Varsity
Coach

One of the busiest men around the Bryant athletic department is Joe Fowlkes. Joe serves as the Indians' Sub-Varsity basketball coach, head trainer for the entire Bryant athletic program and supervisor of the Indians' new gymnasium.

On any given day Joe can be seen rushing from a basketball practice at the gym to a hockey practice at the Smithfield arena. He's always on duty to help any of the Indian athletes' aching or bruised bones.

A former professional football player, Joe joined the Bryant staff in 1971. He piloted the Indians' Sub-Varsity to an outstanding mark in his second year as coach last season.

Unless you change the oil filter with an oil change, a quart of dirty oil stays in your engine!

When oil is drained from a crankcase, one quart of dirty oil stays in the filter. This dirty oil combines with grit, dirt and sludge trapped in the used filter to contaminate the new oil. So when you change oil, change your filter, too... and make sure it's a Fram performance-proven filter.

Oil filter traps one quart of dirty oil.
